

OUT ON THE LIMB
with George Vierhus

A LONG-TIME FRIEND of ours, Wes Smith, a retired Standard Oilman now living in Carmichael, Calif., forced us to run to the dictionary recently as a result of a note we received from him.

An avid reader of The Press, our friend had several pithy comments to make about the recent city election and the poor turnout (23.9%) of the voters. He thought it was disgraceful that 76% of the voters didn't bother to cast ballots. We agree.

In this note to us, Wes, however, complimented The Press for its contents. He even admitted that he enjoyed "out on the limb."

But he added this comment in referring to the column... "Sometimes, however, it displays some gibbosity..."

Gibbosity? That's when we headed for the dictionary.

-0-

OUR FRIEND HAS AN excellent command of the English language and an admirable vocabulary.

He delights in springing unfamiliar but descriptive words on us, particularly because for almost all our adult life we have made a semblance of a living by putting one word after another on the printed page.

But "Gibbosity" was a new one for us.

Admittedly our column has been subjected to criticisms in the past. Some of the terms that have been used were not exactly endearing ones.

And some of them, could not be repeated in a family newspaper such as this, even in this rather unconventional age.

Now "verbosity" or "gibberish," we could understand. But "gibbosity"?

-0-

THERE WERE TWO definitions we found in the big book.

"Gibbosity—(1) the state of being gibbous (2) protuberance or swelling."

Then: "Gibbous—hump-backed; (astron.) convex on both edges as the moon when half full."

Then there was this: "Gibberish—meaningless or unintelligible talk or writing." We hesitate to make such a big thing out of this because it could very well be a "sleeper" and there might still be another meaning.

But somehow describing this column as "hump-backed" or a "swelling" just doesn't seem to fit.

Verbosity....now that's something else.

Or had you noticed, too?

BY NOW FORMER FIRE Chief George Maxwell after retiring from Campbell, is about ready to assume his duties as director of public safety in Anchorage, Alaska.

George promised to drop us a note as soon as he was settled in the far north to cover many of the things he didn't have time to tell us while he was involved in wrapping up, packing up and shipping out.

Some of you may recall that the editorial wishing George luck in his new assignment, we quoted from the original news story in 1958 which noted his arrival in Campbell.

Maxwell called our attention to an error in that particular editorial. His birthplace was listed as Battle Creek, Michigan. It should have been Battle Creek, Colorado.

For the record, the original news story had the right state. The mistake was made in the quoting.

George got away before we followed up on this Battle Creek situation. We could not find Battle Creek, Col. listed

BASED ON \$1.80 TAX RATE

School district preliminary budget shows \$1.8 million cut for next year

Fiscal decisions of far-reaching importance will face the trustees of the Campbell Union (elementary) School District this Thursday, April 27.

Based on the \$1.80 tax rate, which goes into effect June 30, 1972, a preliminary budget for 1972-73 that is \$1,819,115 below that of the present fiscal year will be before the trustees in their meeting. The meeting is set for 7 p.m. in the district office.

At the same meeting, the board is scheduled to set a new tax election for July 25 and follow one of three alternatives that have been presented

by Superintendent Jim D'Avis: (1) Continue the present \$2.55 for a definite period of time; (2) Continue the \$2.55 rate for an indefinite period; or (3) Recommend an increase in the rate for a definite number of years.

VOTE JULY 25

A special election has been scheduled for July 25 to fill the vacancy on the West Valley College board created by the resignation of Edward Panelli, newly-appointed superior court judge.

In order to consolidate the Campbell Union (elementary) School District tax election with the college district balloting, the trustees must act before May 4.

Superintendent D'Avis also points out that, if a tax election is successful on July 25, the preliminary budget that is before the board can be modified before the final budget is adopted in August.

BUDGET CUT

D'Avis is thus recommending that the board adopt the

\$9,611,278 preliminary budget for 1972-73 this Thursday, pointing out that changes can be made in it before it is filed by June 30 or at the public hearing in August.

The budget, as presented by D'Avis, totals \$9,611,278 as compared to \$11,430,393 for 1971-72. The preliminary budget takes into consideration various reductions in force and services that have been outlined in a comprehensive report submitted by Fred Peterson, administrative assistant.

STAFF REPORT

The district staff was authorized by the board on March 9, after the failure of the February 29 tax increase election, to prepare a report

citing the actions that would be necessary to stay within the \$1.80 tax rate income. The staff has recommended that the trustees adopt the report by resolution next Thursday.

The report projects the reduction of 40 classroom teachers from the present 407 total and 21 other certified personnel, including three nurses and two instrumental music instructors.

It projects the reassignment of some central staff personnel as classroom teachers but does not include the top district administrators.

The report also submits that the average district class size will be raised to just be-

Councilmen get first look at library plans

Campbell councilmen on Monday night get their first view of the preliminary plans for the new \$656,000 library and apparently liked what they saw, for they gave unanimous approval to the drawings that have been prepared by Bill Hedley, architect.

The plans will go before the supervisors on May 2.

Morris Stark, representing Hedley, said that the cost of the structure was estimated at \$592,000 plus \$64,000 for landscaping and paving. The cost did not include site acquisition or fees.

Present at the meeting also was George Farrier, county librarian, who indicated that he was optimistic that the long-delayed project would soon get under way as a number of the financial roadblocks seem to have been eliminated.

He explained that preliminary plans were merely a guideline as to basic concept and design.

The library will be a joint city-county venture with financial assistance from the federal government to the tune of \$200,000.

Voters approved \$400,000 in bonds for the library in 1967 and funds have already been expended by the city for site acquisition and architect fees.

The building when completed will be leased to the county library district and

APPROVE MOVE—Acting on the recommendation of the Parks and Recreation Commission, the City Council on Monday unanimously approved relocating the historic El Camino mission bell to the Joseph V. Gomes city park on Winchester Blvd.

The bell has been in Campbell since 1912 and at its present location at Winchester and Campbell since 1940, where it is almost completely hidden by a tree.

The Council was informed that a representative of the Native Daughters of the Golden West has indicated that her organization would defray the cost of moving the bell, as well as cleaning it up.

ON AMATO PROPERTY ZONING

Residents file referendum petition

That controversial zoning issue of the 31-acre Amato property, which was climaxed by the adoption of a city ordinance on March 27 approving the proposed town house single-family development on the parcel, went into a state of limbo this week for an indefinite period of time.

On Tuesday morning, just one day ahead of when the P-D (Planned Development) zoning for the property was to go into effect, a petition containing 1900 signatures was filed with City Clerk Dorothy Trevethan.

The petition specifies that either the City Council must repeal the ordinance and allow the property to revert to its R-1 (single-family) status or call a city election on the zoning issue.

If only 881 (less than one-half) of the signatures are

the petition has blocked any development on the property until the time the matter has been settled by the Council or the people at the polls.

The filing came almost six months after the proposal of Mike Engdol, of Dura Style Homes, was presented for the first time to the Planning Commission.

During the subsequent

months, the plan was modified to some extent but not to the satisfaction of the residents in the immediate area who were adamant in their stand that the 31-acre parcel should remain zoned for single-family dwellings.

ON TARGET—Mayor Bill Podgorssek kept his throwing arm in shape last Saturday when he officially opened the Campbell Little League by tossing out the first ball and then moved to the Pony League where he duplicated the feat. Details and pictures of the opening day ceremonies appear on the inside pages.

To fill spot

A new Planning Commissioner to fill the vacancy created by the election of Norm Paul to the City Council is scheduled to be appointed by the City Council this Saturday, April 29, in a special meeting called for that purpose.

Applicants for the position must file by Thursday, April 27, by 5 p.m. and they will be interviewed on Saturday morning by the councilmen prior to the meeting.

Appointments will also be made at a later date for the new seven-member Civic Improvement Commission created when Rusty Hammer was elected to the Council. Interested residents are urged to submit letters to the city clerk.

Residents get free trash pickup Friday

Residents within the city limits of Campbell and served by Green Valley Disposal Co., will get a free trash pickup this Friday, April 28.

Those wishing to take advantage of this service, offered twice a year by Green Valley, are asked to place debris in boxes and containers or in

plastic bags tied shut. The boxes should be light enough for one person to carry. Trimmings should be bundled in four-foot lengths.

All debris should be placed on the curb in front of the residence before 7 a.m. this Friday. No items such as furniture, appliances, boxes of dirt

or rocks will be picked up. Old trash or garbage containers that are to be picked up should be so marked.

The semi-annual free pickup is part of the countywide spring cleanup program sponsored by the fire departments in their efforts to minimize fire hazards around the home.

Editorial

County transit

Measure "B" on the June 6 ballot proposes the establishment of a Countywide Transit District. This time without any new local taxes.

Funding for district operations will come from statewide legislation which imposes a sales tax on gasoline and returns this revenue to a county transit fund.

This tax will become effective in July regardless of the outcome of the local transit district.

A "Yes" vote on Measure "B" will insure that the money that is paid into this sales tax on gasoline fund will be used to meet the critical transit needs of Santa Clara County.

The state enabling act, allowing creation of the county transit district, has been amended to specifically prohibit the district from exercising any taxing or bonding authority. District funding must be from either the new statewide sales tax on gasoline or whatever federal grant funds the district can attract.

The amended act contains no language relative to the Bay Area Rapid Transit District (BART). Specific approval of county voters would be required for this county to annex to BART.

However, that is a possibility that could conceivably come about, if it is found to be practical.

We are convinced that some type of rapid transit must be devised for this county, if air pollution and traffic congestion is to be reduced.

We feel that the establishment of a countywide district as specified in Measure "B" is an essential step in the move toward solving the problems that are becoming increasingly worse.

The district, as outlined, would provide a combined, extensive system of rapid transit, complimented by appropriate feeder service fully accessible to the urban area.

However, we maintain that the officials in charge must keep an open mind on the subject of rapid transit as far as the future is concerned.

The preliminary district budget anticipates a split of local revenue expenditures between bus operations and readying for an eventual fixed guideway system.

We submit there is nothing wrong with that approach at the present time but, it is entirely possible, that a better plan may be devised in the near future to alleviate the problems that exist.

So we caution the powers-that-be to be flexible in their thinking so as to be able to take advantage of what could develop in the future.

The voters in the county in the past have defeated transit measures that have been presented to them. However, in those instances, taxing authority went along with the proposition.

We reiterate that we see nothing wrong in the establishment of a countywide transit district under the conditions as presented in Measure "B".

The county now has more than a million population and, obviously, the traffic problems are increasing.

Transit problems then are countywide in scope and thus it makes sense that a countywide authority assume the responsibility rather than attempt to solve the problems through joint efforts of the cities and county agencies that now exist.

Estimates suggest that \$7.2 million will be available on an annual basis to Santa Clara County. The district that is created thus must be capable of planning and operating public transit.

The revenue that the county will receive will be from the statewide sales tax on gasoline that the legislature has imposed.

But the people of Santa Clara County will control the program through the Board of Supervisors.

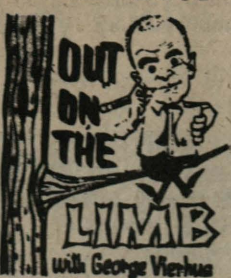

There will be an advisory commission, representing all of the cities in the county and other critical interests, such as minorities, elderly, handicapped and special expertise, to advise the supervisors in behalf of the people.

We are convinced that the formation of County Transit District is necessary and we urge a "Yes" vote on Measure "B" in the June 6 election.

But we emphasize that in the beginning the officials who will control the program must feel their way.

Future commitments should not be made until it has been definitely established what overall transit plan will serve the most people in the county in the most efficient manner.

OUR EFFORTS TO CALL attention to Campbell's one and only historical landmark, the El Camino mission bell, now hidden in the limbs of a tree on the West Valley College temporary campus at Winchester and Campbell avenues, has gained momentum to a certain extent, we think.

The Parks and Recreation Commission has recommended that it be moved to the Joseph V. Gomes Park where it can be seen.

And representatives from the Native Daughters of the Golden West have offered to defray the costs of moving the bell and cleaning it up.

But now we have learned that the people responsible for putting the bell in Campbell in the first place, 'way back in 1912, think the bell should remain where it is.

The bell was purchased by members of the Pundita Circle in 1912 and placed on the old high school grounds. The bell was moved to its present location, the old elementary school grounds, in 1940 when the old high school was torn down.

And there it has remained, hidden by the limbs of a tree. A surprising number of people didn't know there was such a bell in Campbell. They couldn't see it. (It marks the route used by the padres between the Santa Clara and Santa Cruz missions.)

Members of the Pundita group rightfully have a sentimental attachment for the bell.

They don't want to see it disappear after 60 years in Campbell.

They are concerned about vandalism in a more open spot.

Here's a note we received from the Pundita Club secretary this past week:

-0-

"DEAR SIR:
"On behalf of the Pundita Club I am writing in regard to the proposed removal of the El Camino bell.

"This bell is the property of Pundita Club which bought it and had it installed by the old Campbell High School.

"When these buildings were torn down, the city permitted the bell to be moved to its present position.

"The club wants it to REMAIN WHERE IT IS!

"So far it has been safe from vandals but if it is removed to a conspicuous position, we doubt if it would remain so.

"The Pundita Club is NOT a church group. It was organized in 1908 by a group of neighborhood young women who banded together for culture and friendship.

"Over the years they have contributed their efforts and money to the benefits of their locality.

"As was the custom in those days it was named 'Pundita Circle.' It was later affiliated with the federated women's clubs and changed to its present name, Pundita Club.

"Very truly yours,
"Laune Thompson, Pundita Club sec'y."

-0-

ON THE OTHER HAND, a long-time member of the Native Daughters of the Golden West, who was interested in the bell's background, called on us.

She explained that the NDGW had been instrumental in getting the El Camino bells placed on Highway 101.

She thought it was great that Campbell had one of 'em but she felt that it should be visible.

Our caller also wondered, if our research had revealed whether Campbell's bell was

In addition, a proponents' affidavit was filed verifying the action by Bob Sneed, 241 Victor, long-time spokesman for the objecting residents.

low the maximum allotted by the state.

CLASS SIZES
There would be no change in the size of the kindergarten classes (30.9). There would be one less teacher (33 compared to 34) but the enrollment is expected to decrease. The state maximum is 31.

Class sizes in grades 1-3 would go up to 29.9 from the present 25. There would be 27 fewer teachers but the enrollment is expected to drop by 206 from 3527 to 3421. The state maximum is 30.

In the 4-8 range, class sizes would increase from 25.3 to 28 with 23 fewer teachers (232 to 209) with the enrollment decreasing only 21 from 5883 to 5862. The state maximum is 29.9.

In the preliminary budget submitted by D'Avia, the biggest reduction from the current budget is under "instruction" where \$1,015,334 has been slashed (\$7,599,236 to \$6,583,902).

SALARIES

Teachers' salaries under the "instruction" category would be reduced \$694,061 by dismissals from \$5,860,967 to \$5,166,906 but by the quirk in reassignments that are necessary, "principals' salaries" show an increase of \$5,123 from \$512,262 to \$517,385.

"Administration" has been cut \$55,944 from \$325,233 to \$269,389.

The preliminary budget also reveals that the "total expense of education" would be cut \$1,523,502 from \$10,323,589 to \$8,800,087.

-0-

NOW THAT WE HAVE all more or less settled down after the city election, a startling but little known fact can now be revealed.

We have hesitated to report it sooner because of the "impact" it might have made.

But now it can be told.

Two write-in votes were cast in the city election.

Your editor received one of 'em and Don Hebard got the other in the same precinct.

For the record it should also be noted that the votes did not come from either Don's precinct or ours.

Unfortunately, the votes could not be officially recorded. The election code requires "write-in" candidates to notify the city clerk some time before the election, if they want their votes to be counted.

That we neglected to do. So posterity will never know that Hebard and Vierhus tied for fifth place in the city election of 1972.

The City Council approval finally came on March 27 after a number of false starts, on a 3-2 vote with the then Mayor Ralph Doetsch, and Councilmen Dean Chamberlin and Bill Smeed favoring it and Councilmen Bill Podgorssek and Ed Rogers opposing.

CHANGES

Since that vote, however, there has been a new alignment for the City Council. Rogers retired and Smeed was defeated. In their places on the Council are Norm Paul and Rusty Hammer, who have not yet voted as councilmen on the issue. Podgorssek is now mayor and Chamberlin and Doetsch are still councilmen.

However, Paul, a former planning commissioner, voted in favor of the P-D zoning as a member of the Planning Commission. The final vote of approval by that body was 5-1 with Don Hebard casting the lone negative vote.

THIRD ONE

The Amato zoning issue is the third such referendum to come before the City Council in the 20 years that Campbell has been a city. In one instance the ordinance was repealed and in the other the issue went to the people who upheld the Council action.

In the first case, in 1964, the City Council at that time faced with a similar petition from residents objecting to a proposed development on Latimer Ave., rescinded the ordinance. Coincidentally, a number of the leaders in the present battle were also carrying the banner then.

The most recent case was the issue affecting the third screen for the Winchester Drive-in. At the special city election called in December, 1970, the voters approved the Council action.

If an election is called by the City Council, close observers of the scene predict that the actual voting may not take place until fall because of the length of time necessary to, first, validate the signatures and then allow for Council action.

In the meantime, however, there can be no development on the Amato property.

the city bonds will be amortized in that manner.

However, because the original plans for the library have been expanded because of the federal grant, the county must dig up around \$260,000 to get the building off the ground.

The proposed building will be compatible in design to the city hall directly across the street and will consist of 27,676 square feet in the two levels that are planned.

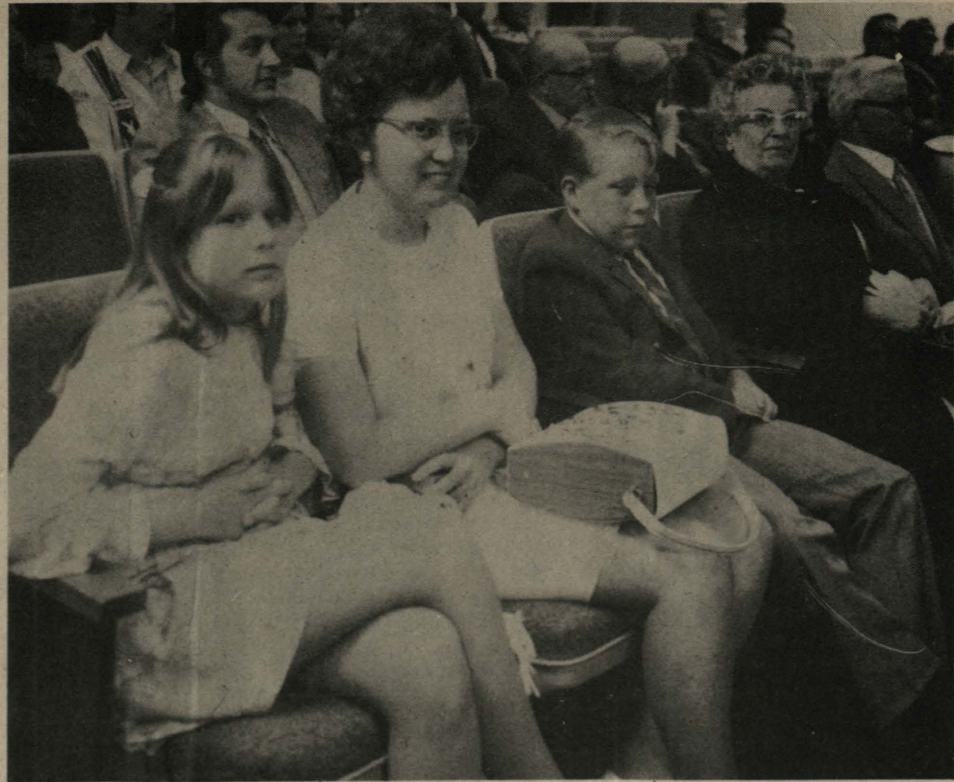

Entrances will be off both Harrison and Central and it is expected to take from 17 to 20 months to construct.

WHAT'S UP DOC?

If you honestly thought the days were over when you could take the family to see a movie and have everyone laugh until their sides hurt, maybe you'll be comforted to know that Barbra Streisand and Ryan O'Neal have just made a movie called "What's Up, Doc?" which will fill the void nicely.

From looking at the lines stretching out for practically a block at the Fox Town and Country Theater in San Jose, a lot of people have heard about the great time which can be had at the movie.

It's one of the few genuinely funny movies to come along in a great while. Peter Bogdanovich (the highly acclaimed director of "The Last Picture Show") produced and directed the film. In fact he did just about everything, except act.

"Doc" is filmed on location in San Francisco at the Hilton and at several other well-known spots throughout the city. The plot (what there is of it) concerns the very unlikely mix-up of four identical plaid suitcases. One holds a bunch of prehistoric rocks, one has top secret documents, one is full of valuable jewelry and the fourth is crammed full of Judy Maxwell's (Barbra Streisand) clothes.

Ryan O'Neal is a musician named Howard Bannister who has a ridiculous theory about prehistoric man making music with rocks. He and his fiancée are in San Francisco for a convention where he hopes to win a grant to continue his studies on musical rocks.

Judy Maxwell is out on the prowl for a man and she stakes out poor Howard as her prey. Even though he tries to get rid of her, she ends up at a convention banquet posing as

his fiancée, while his real fiancée stands outside trying to prove she is supposed to be at the dinner with him.

To attempt to further explain the action in the film would be futile because it moves so fast and nonsensically, but rest assured you'll have a delightful evening if you decide to go see "What's Up, Doc?" I'd just recommend that you go early to get your tickets (especially on a weekend) unless you want to spend a lot of time standing in line.

District joins MAEP to teach English course

A six week course in English as a Second Language, (ESL), is being offered Tuesday and Thursday evenings by Metropolitan Adult Education in cooperation with the Campbell Union School District.

The course will be held at San Tomas School, 1510 Hacienda Ave.

The ESL class, open to all residents, free of charge, begins with registration on Tuesday, April 25 from 7 to 9 p.m. and continues until June.

The practical language course, which will help adults communicate with the English speaking community as soon as possible, will be taught by Alicia Soins, ESL instructor at the Campbell Congregational Church's Bennett Hall.

Visitors are encouraged to attend the ESL classes any time, and get acquainted. For more information phone MAEP at 293-5400.

The Reject pair defeated a

pair from Loft VI in their semi-final round. Tom Sutak and Bob Harmachek then matched darts with the Macredes, with the Macredes coming out on top to take third place.

In winning Ron Rutherford shot 2-140's, a ton (100) and a 118-out. John Vieira popped a 140 while Tom Sutak had a 115-away and a 133. Both of the Macredes had high scores with Jim hitting a 112-away and Ben popping a 110.

The man with the most high scores for the day was Larry Stockstill of Red's Pizza in Vallejo. Larry shot 3-140's, 2 tons and a 121. Larry and his partner, Claude Murrell, got to the quarter-finals where Vieira and Haughin dropped them.

HALF-WAY

The half-way point in the season has been reached and several teams in the area are eligible for the most improved team award. This is given to the team that improves its average the most in the second half of the season.

The teams eligible in the

El Camino League "A" division are Scarlet LaRue II and Banbury Clock II. South Bay "A" only has one area team with an average below .500 and that is Lancashire Lad II. Others are Harold's and Primrose I and II.

Three teams are vying for the trophy in the South Bay "B" division; Country Store in Mountain View, Black Watch in Los Gatos and the Diddlers of Gaslighter Theater I here in Campbell.

In the "B II" group four teams are tussling; Andy Capp's II from Sunnyvale, Black Watch II and Lancashire Lad IV of Los Gatos and Campbell's Gaslighter Gang (Gaslighter Theater II).

OREGON DARTS

We have just received a list of dart pubs in Oregon and if you're headed that way for a vacation and would like to stop at one of their pubs, drop us a line and we'll send you a list. In the Portland area one that has been prominently mentioned is the Hobbit at 6024 S.E. 52nd. They have tournaments every Thursday and there is talk of a "Boozers and Losers" match from 9:00 a.m. Saturdays. Whoopie!

Mugs!

Women's rights and consumer classes planned

Two topics of great concern today—women's roles in the '70's and consumerism—will be the focus of two classes offered by West Valley College in May.

The college's office at community services is offering "Consumer Self Defense" on Wednesday, 7:30 to 9:30 p.m. May 3 to June 7, and "Women: Their Rights and Roles in the '70's" on Thursday, 7 to 10 p.m., May 4 to June 8.

The consumer class taught by Mrs. Joan Schramm, will explore the methods and offices at various levels of government that help the consumer correct deceptive and harmful commercial practices.

A consumer affairs newspaper columnist, Mrs. Schramm has worked for the Consumer Fraud Division of the District Attorney's Office and the Department of Weights, Measures and Consumer Affairs for Santa Clara County.

Doreen Rose, teacher of the women's roles and rights class, will delve into the history of feminists from the 17th and 18th century, and explore current literature and organizations advocating the women's liberation movement.

A public speaking teacher at West Valley, Doreen Rose assisted in research in the Women's Studies Department at Cal State Hayward during the summer of 1971 after having been named outstanding graduate student of the school.

She is also a member of the National Organization for Women.

Registration and a small fee are required for each course. Interested participants should contact Community Services, 44 E. Lattimer Ave., Campbell, room L-26, telephone 379-1733, ext. 58.

SHE'S A WINNER!—And another score for women's lib! Mrs. Viola Hawes of West Campbell Avenue holds the \$30 cash prize just presented her by John Brazzillo of Dick Whalen's Regal Service. Mrs. Hawes won her prize

for being the first to come in with her coupon showing the correct identification of Whalen's "Mystery Car" shown in his ad the past two weeks. The car was a 1915 Ford Model T.

College paper wins 3 awards

Top honors were won by West Valley College's paper, "The Norseman" and magazine, "Viking Review" at the annual convention of the Junior Association of Community Colleges, held on a recent weekend in Santa Cruz.

A first place award for newspaper layout, a second place for general excellence and an honorable mention in editorial cartooning were won by the college via a mail-in competition with 26 other schools.

The Viking Review magazine, suspended this year because of lack of funds and enrollment, won first place in general excellence. Appropriately, plans are being made to revive the magazine next year.

The Norseman, too, is back in print after a more temporary month-long suspension caused by what the paper terms "Bureaucratic bungling," bad timing and a com-

munication gap. Ten Norseman staffers and two instructors attended the student-body financed convention which featured on the spot competitive coverage of a speech by Lieutenant Governor Ed Reineke.

The young journalists sat through two days of workshops conducted by experts on subjects from typography to underground reporting.

BLOCK PRINTS

Black and white block prints, pen and ink drawings, mohair sculpture will be displayed in the Villa Montalvo Gallery beginning Monday, May 1.

The exhibiting artist, Mrs. Gertrude Regan of Palo Alto, will meet the public at a reception on Sunday, May 7 from 2 to 4 p.m.

By 3-2 vote Council upholds Commission on appeal

Campbell's two new councilmen, Norm Paul and Rusty Hammer, sided with Mayor Bill Podgorske on Monday night in upholding the decision of the Planning Commission reducing the size of the sign requested by 4 Point Rents at 954 Camden Ave. The matter had been appealed to the City Council.

Vernon Burgess, of the sign company involved, and Charles Johnnie, owner of the rental firm, told the Council that a larger sign was needed to identify the location because of the difficulty of getting to the site.

Councilmen Ralph Doetsch and Dean Chamberlin thought that the applicants had a good point and voted in favor of the bigger sign.

In other actions, the City Council:

DEFERRED for two weeks any action on awarding the bid for the programmable calculator for the public works department.

The deferral period will allow details as to the specifications and options involved in the submission of bids to be worked out.

APPROVED an agreement with the county involving the improvement of Union Ave. from Campbell to Dry Creek. The city's share of the cost was estimated at \$11,400 or about 40%, Bill Wren, public works director, explained although this figure might change because of a new annexation by the city in the area.

DIRECTED City Attorney Bob Dempster to proceed with litigation against Henry Grattan with respect to cleaning up of Grattan's property on Gilman Avenue. According to city officials, Grattan has ignored previous city directives. It was estimated that it will cost \$1,000 to clean up the property.

AUTHORIZED the submission of an application to obtain an administrative intern during the summer months. A federal grant will provide \$410 of the monthly salary with the city paying \$150.

4-H CLUB activities

CAMPBELL 4-H by Bret Bauer

On April 7 Campbell 4-H held their monthly meeting at Coventry School. We had a special guest, an All-Star 4-H'er, Kathy Rouleau from Evergreen 4-H. She gave a demonstration on how to prepare our record book for National Awards.

We also had our dress rehearsal for Share-the-Fun Contest.

We talked about our skating party for April 15 and our visit to Camden Convalescent Hospital April 22.

Presentation Day was April 8 and seven from our club gave demonstrations on their projects. Nora Smith won a gold, Marian Kamlin and David Cassingham gave a team demo and won a blue award.

Audrey Kamlin and Lisa Horn also got a blue for a team demo. Fred and Diane Neil gave single demos and each won a red.

Share-the-Fun is a skit put on by 4-H clubs from the county; our club won a gold award for the second year in a row. Our skit was called "Alice in Animal Land." It was a story of a girl who goes through the looking glass after her dog and learns all about 4-H and how they help their community and animals.

Alice was played by Suann Mariana; Scuffy, the dog, played by Caprice Tantillo; the rabbits by Connie Bauer and Clarissa Bauer; the goat by Sylvia Sanford; the cow by Marian Kamlin and Nora Smith; the horse by Cindy Peterson and Sharon Cassingham; the chickens by Kathleen Clancey and Nancy Chivers and the 4-H'ers were Lisa Horn, Mark Smith, Bret Bauer and David Cassingham.

The chorus consisted of Sandy Peer, Tami Buller, Susan Faris, Mark Horn, Janette Mello, Diane Neil, Fred Neil, Judy Peer, Dena Stipich, Dee Dee Faris, Gina Carbonaro, Mike Cassingham, Audrey Kamlin and Diane Sylvia.

SALVATION ARMY

The membership drive for the Salvation Army Association begins in Campbell with National Salvation Army Week, May 7 to 13.

ORT

The San Jose Chapter of Women's American ORT will hold its general meeting on Wednesday, April 26, at 8 p.m. in the home of Mrs. Donald Mandell, 5012 Howes Lane, San Jose.

An Ecology program will be featured.

TURN 'EM AHEAD — Betty Jean Samuelson, Miss Greater Los Angeles Press Club, reminds all of us to turn the clocks ahead to mark the beginning of daylight savings time which officially begins at 2 a.m. this Sunday, April 30.

Some had journeyed all the way from the cold and sleet of Minnesota to be on hand for the occasion.

THE MAYOR'S KINFOLKS—When Mayor Bill Podgorske became the Council's presiding officer at the annual reorganization meeting, he had a good-

sized "cheering section" in the audience. Present for the ceremony were 32 (count 'em) relatives of Campbell's mayor.

Sirens to sound off Friday

Sirens and air horns will be sounded in Santa Clara County at 11 a.m. Friday, April 28, to test emergency outdoor warning equipment.

As usual the warning devices will be tested in the following manner: a one-minute alert signal, a steady tone on the siren or horn; then one minute of silence followed by

a one minute attack warning signal, a rising and falling sound by the sirens or a series of short blasts by the horns.

In a real emergency the signals would be sounded for three to five minutes, according to Frank Holt, Santa Clara County Emergency Services Coordinator. "When the alert signal, the steady tone, is sounded, citizens should tune to local radio or television stations for emergency information," said Holt.

"Except for tests the attack warning signal (the wavering tone or series of short blasts) can only be sounded when authorized by the Federal government," said Holt. "It means that an attack on this country has been detected."

Symphony ends concert season

Two concerts in the offering by the Los Gatos-Saratoga Symphony are a park dedication performance on Sunday, May 14, and the group's final program for the season on Saturday, May 20.

The symphony's performance at 2:30 p.m. May 14 during the dedication ceremonies in Saratoga's recently completed Wildwood Park will launch a music festival in the oak-framed area, on Fourth Street, off Big Basin Way.

The 68-member orchestra, under the direction of John O'Neill, will conclude their 1971-72 season at 8:15 p.m. May 20 in the Los Gatos High auditorium.

THE ROUND HOUSE

SIXTH GRADERS—Stephen Brooks, Curtis Konno, David Takiwa, Laura Carli (seated), Jane Heckley and Christine Bourman cluster beneath a tree that is part of one station along the nature trail made by the Castlemont sixth graders.

JUNIPER—Stephen Brooks and Peter Motekaitis finger the golden tipped juniper as they play a cassette tape which has recorded questions about this tree and other plants.

Kids discover nature in schoolgrounds

There is nothing very special about the trees, shrubs and plants used to landscape Castlemont School.

But several members of the sixth grade class at Castlemont did do something special with that greenery. Inspired by a nature walk for blind children at nearby Monroe Jr. High, nine kids made a nature trail at Castlemont with guidance from their teacher, Steve Miller.

Instead of being a route marked with wooden plaques bearing information about each plant, the trail was a "portable" one.

One or more students from the active core that worked on the project led classmates around the "station" to "station", carrying a cassette tape recorder with a series of questions and answers.

"What is the papery case around the pine needles?" asks a pert young voice. The student explains that it's a sheath for protection, then asks, "How many needles are in the sheath?"

As the tape queries visitors, the guide points to different

parts of the plant.

Nearly 150 of Castlemont's 460 students have been given a guided tour around their own school.

According to the young guides, many of the kids learned a lot from the tour and were stimulated to ask more questions about some of the plants.

"The questions were just to get them interested," piped up one of the sixth graders as the nine children sat in their classroom, eagerly talking about the project.

First step in the science project was identifying the plants. Sometimes looking up shrubbery in a natural history book or tracing trees with a biology key was all that was needed.

But the kids admit, grinning, that Dexter Kihara, gardener at the school, had been quite a help! Steve Miller added that his students also cornered teachers in spare moments, quizzing them for names of flora.

Though they originally started out with committees and text-book style narrative, the sixth graders switched to a more creative approach, using volunteers and question-answer format.

Questions about nearly 60 different shrubs and trees were then taped, using cassettes. The young people finished making the tapes and diagrams of plant biology, just in time for the Campbell Union School District Science Fair, recently held at Castlemont School.

Students who helped with the nature trail include Bob Gonzales, David Tokiwa, Stephen Brooks, Peter Motekaitis, Mike Benjamin, Curtis Konno, Laura Carli, Jane Heckley and Christine Bourman.

They make up just one section of the 60-member sixth grade class taught by Steve Miller and Nev Spadafore.

LEAF WATCHERS — Steve Miller, sixth grade teacher at Castlemont, watches as Curtis Konno, Mike Benjamin and Bob Gonzales get a closer look at leaf structures. These were among a group of nine sixth graders at the school who taped a question and answer nature trail.

PHI BETA KAPPA

Steven J. Rosenthal, 898 Torero Plaza and Thomas G. Price, 2433 Neville Ave., were among 600 Berkeley students sworn into the Phi Beta Kappa, national honor society for undergraduates.

Price, a computer science major and Rosenthal, biochemistry major, were sworn in with other initiates during ceremonies conducted by Earl Warren, former U. S. chief justice, previous California governor and a 1912 graduate of Berkeley.

Club delegates go to gathering

Mrs. Edmund Birr, newly elected president of the Campbell Garden Club will attend the 41st annual convention of the California Garden Club, Inc.

Mrs. Lou Marotti is another Campbell club delegate to the convention, which will be held Monday, May 8 to Thursday, May 11 in the Beverly Hilton Hotel, Beverly Hills, Calif.

The next meeting of the Campbell Garden Club, held on Wednesday, May 24 at 11 a.m. in the Royal Fork Restaurant, 1730 Campbell Ave., will honor the "Mother of the Year."

Operetta Guild rehearses tale of old Russia

"The Forest Prince," now being rehearsed by the Young Peoples Operetta Guild, Inc., will be performed Friday and Saturday, May 19, 20, 26 and 27 at 8:15 p.m. in the Moreland School cafeteria, 4335 Payne Ave., San Jose.

Lead roles in the drama of a Russian princess in captivity will be filled by Dedi Studyrski, David Publicover,

Terry Taylor, Daniel Publicover and Melvin Sunseri.

Jim Davison, a West Valley College drama major, will direct the production assisted by Virginia Ernenwein, choreographer; Barbara Green, costumer and Mathilde Done, personnel.

For more information on the guild, open to young people age seven to 18, phone 257-3683 or 379-8885.

Artists work in public view

Art in action will be the main attraction when the Creative Artists Group holds their 4th annual art show on Thursday through Saturday, May 4, 5 and 6 in the West Park Plaza, Winchester and Payne Avenues.

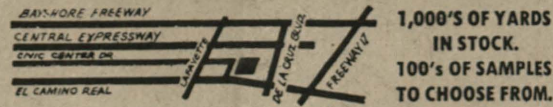

The group is also holding a Mother's Day art show Thursday to Sunday, May 11 to 14 in the Kirkwood Plaza, Campbell Ave.

Glass blowers and leather craftsmen will be working, while painters will demonstrate with acrylic and oil on canvas, velvet and wood.

Cabrini youth theater stages Gilbert and Sullivan opera

An assortment of dramatically inclined people from teen-agers to professional sing-

ers make up Cabrini Community Theater's cast of 42 for the upcoming Gilbert and Sul-

livan opera, "Pirates of Penzance." One of the best known

FRIGHTENING PIRATE—Frederic (John P. Healy, Jr.) threatens Mabel (Linda Henderson) and the Major-General (Bill Howard) as they try to humor him in the Cabrini

Community Theater production of "Pirates of Penzance". Gilbert and Sullivan's comic opera will be performed in St. Frances Cabrini Hall, Camden Avenue, this Saturday, April

29, at 8 p.m. and Sunday April 30, at 3 p.m. Tickets are available at the door at \$1.50, adults and \$1, children under 13.

Gilbert and Sullivan Comic Operas, it will be presented by the Cabrini Community Theater, Saturday, April 29 at 8 p.m. with a repeat performance on Sunday at 3 p.m., both in St. Frances Cabrini Church Hall on Camden Ave.

Heading the cast is Jeffrey Wayne, a professional singer, who will portray the Pirate King.

Playing the part of Mabel, the soprano role, is Linda Henderson of Menlo Park. Ruth, the piratical maid of all work, will be sung by Elinor Clupny, with Frederic, the young tenor role handled by John P. Healy, Jr.

The sergeant of the police is played by a special star from San Mateo.

This production is directed by John P. Healy, Jr. of Stanford University, assisted by Patricia Healy, musical director and accompanist Chris Khoury, both of the College Of Notre Dame, Belmont.

The sets were designed by John and Robbi Thornburg, with Costumes and Props by Anne Sudyka.

The community is urged to attend and, if interested, participate in upcoming productions. For further information about the Cabrini Community Theater, or reservations, call 269-3738 or 265-1490. Tickets are available at the door.

Rebekah deputy will end term

Ora J. Lowe, deputy president of Ada Rebekah District 3, will be honored with an

ORA J. LOWE

appreciation party at 8 p.m. Saturday, April 29 at the I.O.O.F. Temple, 276 E. Campbell Ave.

A noble grand for Rebekah Lodge 223 in 1969, Ora Lowe is an active member of the Ada Rebekah past noble grand club and the stitching club.

As 1971-72 deputy president, she served Lodges 363, Sunnyvale; 145, Philotesian; 22, Stella; 14, Josephine; 87, San Jose; 70, Hesperian; 337, Saratoga; 34, Santa Clara; 284, Freja; IOOF Home, Saratoga; and Ada Rebekah 223.

Theme of her term, which will end Friday, May 19 after an Ada Rebekah assembly in Sacramento, was "Peace & Harmony". Among Mrs. Lowe's accomplishments as district deputy was installing the officers of ten Rebekah Lodges.

WITH A FOREIGN FLAIR—Mrs. W. R. Morgan, wearing a skirt of unusual design made by the Cunha Indians, was

commentator for the Country Woman's Club of Campbell's annual fashion show dessert at the clubhouse on Monday.

GOLDEN GIRLS—A newly formed choral group, "The Golden Girls" will perform in "The Star-Spangled Review" at the United Methodist Church of Campbell on Saturday, April 29 beginning at 7 p.m. Other local entertainers performing for the dessert show include C. Michael Traw, producer of Phoenix Nu-Group Productions, who will present flashes from his upcoming show, "Babes in Arms" with members of that cast, Kathy Spielberger, a triple-threat performer with experience in acting, dance and music, and Richard Smith, 14-year-old tap dancer.

MASTER OF CEREMONIES—Frederick W. Hassett, former president of the Saratoga Drama Group, will serve as master of ceremonies for "The Star Spangled Review", a desert show featuring an array of local entertainers. The varied program of music, drama and dance is being sponsored by the youth and sanctuary choirs of the United Methodist Church, and will begin Saturday, April 29 at 7 p.m. in the Fellowship Hall, 1675 Winchester Blvd.

EASTERN STAR Public Schools Week will be honored by Campbell Chapter 553 Order of Eastern Star when they meet on Friday, April 28 at 8 p.m. in the Odd Fellows Hall, 276 E. Campbell Ave.

Thelma Fitch, worthy matron and Vince Volkey, worthy patron, will preside.

Campbell Artist's Guild

The Campbell Artist's Guild will celebrate its seventh birthday at the installation of new officers Thursday, April 27.

The meeting, which will be held at 7:30 p.m. in the Americana Room of American Savings & Loan, 1285 Lincoln, Willow Glen, is open to the public free of charge.

Mrs. Jackie Flitcraft will install 1972-73 officers - Loretta Ostrom, president; Mel Flitcraft, vice-president; Claudia Tillman, secretary; Marian Marian, treasurer; Cathie DeMattei, program; Virginia Hogue, membership; Ruth Earl, publicity; Gene Glissman, hospitality; Etta Lewis, show chairman; Darwyn Patz and Jeanette Pang, exhibits chairmen and Jackie Flitcraft, sunshine.

Outgoing officers will be rewarded for their work this past year with ribbons.

They are Geneva Heald, president, Loretta Ostrom, vice-president; Nadine Wright, secretary; Beverly Booth, treasurer; Cathie DeMattei, program; Bonnie Shofner, hospitality; Helen Loritz, show chairman; Gene Glissman, exhibits chairman; Eleanor Dwyre, membership; Alice Cox, sunshine; Regina Greenleaf, newsletter editor and Sarah Wood, publicity chairman.

Another highlight of the evening will be Artist of Month winners competing for Artist

of Year award. Marian Marian, an active member of the Campbell Artist's Guild, is currently showing 12 paintings in the First Methodist Church in Palo Alto.

Local teacher directs cast of third graders

Mrs. Marie Peterson, longtime Campbell resident, and third grade teacher at Howes School, Los Gatos, will direct her pupils in a three act play, "Nobody's Boy", which will be performed Saturday, April 29.

Popcorn and refreshments will be available before curtain time and during the intermission of the performances, scheduled for 1 p.m. and 7 p.m. Friday in the Union School Auditorium, Los Gatos-Almaden Avenue at Union.

The large cast has prepared for the nostalgic musical, Mrs. Peterson's 14th production, by making field trips to plays throughout the valley.

Tickets for the play, sponsored by the Howes Home and School Club, are available at the door or through students for \$1, adults and 50¢, children.

For more information, phone 377-3813.

ing program will be featured at a luncheon installation of the Santa Clara Valley District Garden Club on Friday, April 28 beginning at 10 a.m. in the China House Restaurant, 1163 S. Saratoga-Sunnyvale Rd.

Mrs. Wallace F. Hirsch, vice-president of California Garden Clubs Inc., will install the officers.

They include Mrs. Jack Lindquist, director, Mrs. Ralph Byington, assistant director, Mrs. Clyde McGee, recording secretary, Mrs. John Coughlin, corresponding secretary, Mrs. O.M. Baycura, treasurer.

The flower arrangement program, presented by Mrs. William Hawk of the Cupertino Nursery, will follow the meeting, luncheon and installation.

Walking funds Dimes March

The first Santa Clara County Walk-A-Thon held recently for the benefit of the March of Dimes, in which numerous Campbell residents participated, registered 9,507 walkers who have already turned in \$90,000.

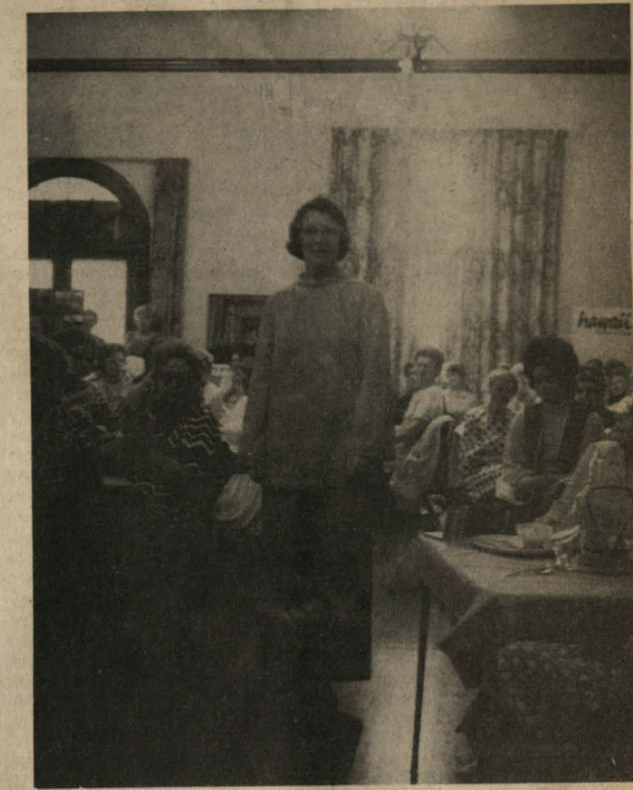

It is anticipated that the total will come to approximately \$140,000 when all pledges are collected.

Funds go into the birth defects program of the National Foundation-March of Dimes, which concentrates on education, research and care.

ADOPTION SEMINAR

LEGAL NOTICE

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER NEEDED FOR HIGHWAY PURPOSES

Project Central I Parcel No. 2811-106 EX WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sums of Twelve Thousand Five Hundred Dollars (\$12,500.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Company, 300 South First Street, San Jose, escrow number 154668. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of One Thousand Two Hundred Fifty Dollars (\$1,250.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker, and at which whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as valuing any all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

- (a) Pay the balance in full, or
- (b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county, in which the property is located.

It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as insured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on May 31, 1972 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., May 31, 1972, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on April 4, 1972, by the following vote:

NOTICE INVITING SEALED PROPOSALS OR BIDS

VIRGINIA AVENUE

LOCAL IMPROVEMENT DISTRICT NO. 22

Pursuant to the Municipal Improvement Act of 1913 and the resolution directing this notice adopted on April 10, 1972 by the City Council of the City of Campbell, said Council invites sealed proposals or bids for the clearing, grading, removal of existing trees, shrubs and structures, and the construction of base-pavement, pavement conforming, curbs, gutters, sidewalks, street lighting facilities, monuments, sanitary sewer mains, manholes, storm drain catchbasins, relocation and/or reconstruction of public utilities where required, and all appurtenances as more particularly described in Resolution of Intention No. 2981 adopted by said Council on March 8, 1971, which resolutions are on file in the office of the City Clerk and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said Council on April 10, 1972.

Payments will be made in cash by said City to the contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the City Engineer submitted in accordance therewith,

based on labor and materials incorporated into said work during the preceding month by the contractor. However, notice is given that a period of 30 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of bonds issued upon the unpaid assessments.

Notice is hereby given that on April 10, 1972, the Council adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is hereto attached and made a part hereof, and also contained in and made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by cash, cashier's or certified check payable to the order of the City Clerk, amounting to ten percent (10%) of the bid, or by a bond in said amount and payable to said Clerk signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. The amount so posted shall be forfeited to said City in case the bidder, depositing the same when filed, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the City.

Contractor shall furnish to City a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the City Clerk of said City on or before 2:00 o'clock P.M. on the 12th day of May, 1972, City Hall, 75 North Central Avenue, Campbell, California, said time being at least fourteen days from the time of first publication of this notice. Bids will be publicly opened, examined and declared on said day and hour, and referred to and considered by the Council at its meeting at 8:00 o'clock P.M., on May 22, 1972.

A copy of the plans and specifications may be obtained from the Department of Public Works, 151 Grand Street, Campbell, California, upon deposit thereof of \$15.00, which will be refunded if said plans and specifications are returned within ten days.

Dated: April 10, 1972.

LEGAL NOTICE

NOTICE OF IMPROVEMENT

VIRGINIA AVENUE

LOCAL IMPROVEMENT DISTRICT NO. 22

NOTICE IS HEREBY GIVEN that on the 8th day of March, 1971, the City Council of the City of Campbell, California, adopted its Resolution of Intention No. 2981 wherein it did declare that in its opinion the public interest, convenience and necessity required, and that it was the intention of said Council to order the following acquisitions and improvements in and for said City:

(a) The improvement of Virginia Avenue from Bucknall Road to Campbell Avenue by clearing, grubbing, grading and removal of existing trees, shrubs and structures and the construction therein of base, pavement, pavement conforming, curbs, gutters, sidewalks, street lighting facilities, monuments, sanitary sewer mains, manholes with manhole frames and covers, laterals, storm drain catchbasins and the relocation and/or reconstruction of public utilities, where required, together with appurtenances to any of the above.

(b) The acquisition of all lands and easements and the performing of all work auxiliary to any of the above and necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the City Council of said City and on file for public inspection in the office of the City Clerk.

Notice is hereby given of the fact that in many cases said work and improvements will bring the finished surface of the ground to a grade different from the surface as it now exists, and that to said extent said grades will be changed and that said work will be done to said changed grades.

Notice is hereby given that to the extent shown in the Engineer's Report it is the intention of the legislative body to enter into agreements with public agencies or public utilities or both, relating to ownership, management and control of improvements subject to their jurisdiction.

Said contemplated acquisitions and improvements, in the opinion of said Council, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which district are the composite and consolidated areas as shown on a map thereof on file in the office of the City Clerk, to which reference is hereby made for further particulars. Said map indicates by a boundary line the extent of the territory included in the proposed district and shall govern for all details as to the extent of the assessment district.

The estimated cost of said project is \$82,594.43, of which the City will contribute the estimated amount of \$53,238.23, leaving the estimated amount of \$29,356.20 to be assessed.

Notice is hereby given that said bonds to represent unpaid assessments and bear interest at the rate of not to exceed seven percent (7%) per annum, will be issued hereunder in the manner provided in the Improvement Bond Act of 1915 (Division 10 of the Streets and Highways Code), the last installment of which bonds shall mature not to exceed fourteen (14) years from the second day of July next succeeding ten months from their date.

The descriptions of the acquisitions and improvements and the portion of the work contained in the Resolution of Intention are general in nature. All of the work to not necessarily extend for the full length of the description thereof. The plans and profiles of the work, and maps and

descriptions, as contained in the Engineer's report, shall be controlling as to the correct and detailed description thereof.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the City Clerk.

Notice is further given that the Director of Public Works pursuant to said Act and said Resolution of Intention, adopted pursuant thereto, did on the 10th day of April, 1972, file with the City Clerk of said City his report in writing on said acquisitions and improvements, consisting of plans, profiles, specifications, estimate of costs and incidental expenses, diagram and assessment, maps and descriptions, and said Council did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report shall stand as the report for the purposes of all subsequent proceedings had pursuant to said Resolution of Intention.

NOTICE IS FURTHER GIVEN that Monday, the 22nd day of May, 1972, at the hour of 8:00 o'clock P.M. of said day, in the regular meeting place of said Council, City Hall, Campbell, California, are the time and place appointed and fixed by said Council when and where it will consider and finally determine whether the public interest, convenience and necessity require said acquisitions and improvements, and when it will consider and determine whether the owners of a majority of the area of the property in the proposed assessment district have protested against said acquisitions and improvements or any portion thereof, and when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention and when and where it will hear all protests in relation to said proposed acquisitions and improvements, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment, or to the maps and descriptions, and that any person interested may file a written protest with the City Clerk at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention and said report, including plans, profiles, specifications, estimate of costs, diagram and assessment, and maps and descriptions for all more particular description of said acquisitions and improvements to be had and done, and for further particulars, all on file in the office of the City Clerk.

Dated: April 10, 1972.

1939, AS EXAMINED.

WHEREAS, the City Council of City of Campbell has received a written petition from the owners of not less than one-fourth (1/4) of the area and of the assessed value of certain contiguous uninhabited territory, according to the last preceding equalized assessment roll of the County of Santa Clara, State of California, in which such territory is situated; and

WHEREAS, said petition requests the annexation of said uninhabited territory as defined in the Government Code of California, a municipal corporation; and,

WHEREAS, the proposal for the annexation of said uninhabited territory to the City of Campbell has been submitted to the Boundary Commission of the County of Santa Clara, State of California, and that the boundaries thereof have been approved and certified to their correctness by said Boundary Commission; and

WHEREAS, the City Council finds and determines that it is for the best interest and general welfare of the people of the City of Campbell that said property referred to and hereinafter particularly described, be annexed to the City of Campbell;</

LEAD-OFF—Students in the sixth grade at Campbell Elementary School were the first to perform this week as part

of a Public Schools Week celebration at the PruneYard. Director is Mrs. Eleanore Scherer.

Schools display at PruneYard

A week long series of demonstrations and displays by the 19 schools of Campbell Union District being given in the amphitheater at the PruneYard, ends Friday.

Teachers and students are demonstrating reading, math, science, art, physical education and music, against a background of photo displays from each of the schools.

Activities planned for Thursday and Friday, April 27 and 28, include a math lab by Campbell School; a reading demonstration by Sherman Oaks School; a parachute play by Capri School, and a string quartet and choir from Rolling Hills School.

Programs, scheduled for 9:30 and 10:30 a.m. and 1 p.m. Monday through Friday are an observance of Public Schools Week, April 24 to 28.

Local Law Day recognition by churches

Recognition of Law Day, established by Presidential proclamation and a joint resolution of Congress as May 1, 1972, is being fully supported by the Christian Science Church, according to Mrs. Ida R. Mitchell, Assistant Committee on Publication for First Church of Christ, Scientist of Campbell.

In response to the American Bar Association's invitation to join in the 15th annual celebration of Law Day, the Church has prepared a special edition of its weekly publication "Christian Science Sentinel" with articles devoted exclusively to a reaffirmation of faith in the rule of law.

"VERY REWARDING EXPERIENCE"

Redwood Glen offers an excellent opportunity for some of our seniors to work with young people and to help them. It is an extremely difficult and strenuous week, however, it is very rewarding.

"Seniors who come back from Redwood Glen tell me this week will stand out in their memories as perhaps the greatest experience of their high school career," said Mr. Willson, senior counselor.

So far Camden has had an opportunity to send over four groups of about six students per group to Redwood Glen, an outdoor school dealing with a science conservation education which is sponsored by Santa Clara County.

"I think the counseling opportunity was a very rewarding experience," said Kevin Kmetz, a senior who went to Redwood Glen.

The basic purpose of the school is to provide sixth graders with an opportunity to study nature in the outdoors, under the guidance of a trained science teacher. The teachers who accompany their classes to the school often gain new insights into the interests and personalities of their students.

While at the school the high school assistant advisors or counselors had two major responsibilities. They were supervising the cabin group assigned to them and assisting the field teacher in the field instructional program.

Some of the criteria high school counselors use in selecting students to go to Redwood Glen are: a strong interest in children, interest in teaching as a career, ability to withstand the physical, mental and emotional strain of a rather strenuous week, and a character that will be a good example to sixth graders.

Camden will have one last opportunity, May 30 to June 2, to send over a group of juniors to Redwood Glen. All previous groups have been seniors, but the seniors will be pre-occupied in preparing for graduation.

Redwood Glen School has two campuses, one located in Santa Cruz, Bear Creek Campus, and one in Cupertino,

Stevens Creek Campus. ABILITIES SHOWN

Camden High's varsity court men displayed their great tennis ability in two consecutive victories, against Branham and again against Blackford.

Last Tuesday the Cougars swept the courts, winning 7-0 over the Blackford Braves on Camden home territory.

Taking victories for the varsity singles matches were: number one man Jeff Addington, 6-3, 6-2; number two man, Jeff Sheets, 6-1, 6-2; number three man, Simon Wong, 6-1, 6-2; number four man, Mike Weyers, 6-3, 6-2 and Jamie Richardson fighting to take a victory for fifth man varsity singles with a split set score of 5-7, 6-1, 6-1.

Taking control of the courts for the varsity doubles teams were Joe Schafer and Larry Kondo, winning with a split set score of 3-6, 6-4, 6-2.

Bringing up the final victory for the Cougar varsity squad were the combination of Peter Bolino and Dennis Swan with a set score of 6-4, 6-2, in the second doubles team.

The Cougar J.V. team also won over the Braves with a match score of 6-0, with the J.V. squad playing all doubles games.

CHANGE IN VOTING

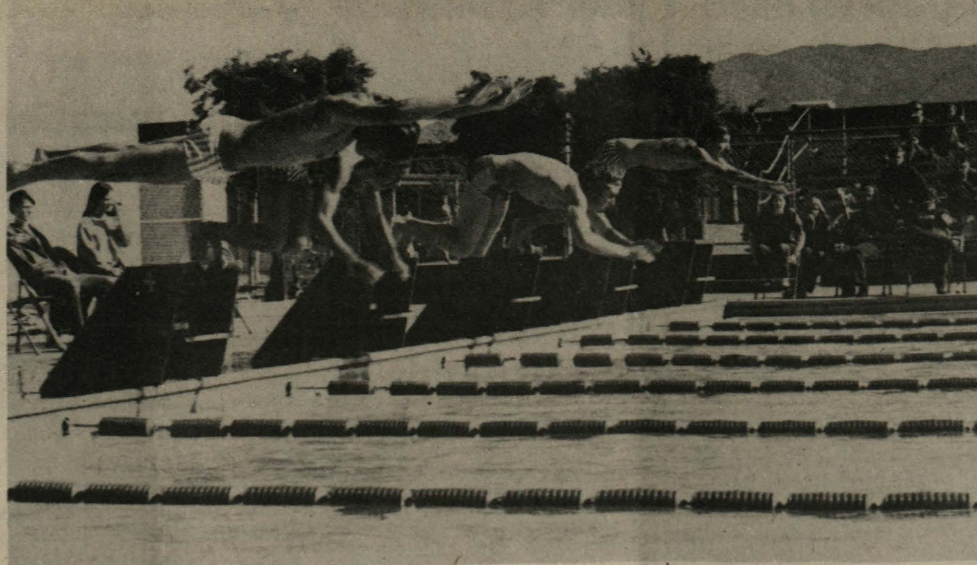

Camden High held their annual elections for new spirit girls, Friday, April 15 and last Monday, April 17.

Saturday song girls were elected as follows for 1972-73: Connie Wheeler, Sherie Odem, Lorraine Pimental, Susie Garay, Lorie Fuller, Becky Martinez, and alternate Elanor Clupny.

Monday, April 17, both varsity and frosh-soph cheerleaders, did their cheer in front of an all school election where ballots were passed out as you entered the door and collected as you left.

Winners in this all-school election were, for frosh-soph, Nancy Durbin, Cindy Guillett, Jeanette Kaneko, and Patti Cunningham, alternate.

Newly elected varsity cheerleaders are: Kathy Adams, Katie O'Connell, Carol Sliter, Rita Stromquist, Nancy York and Sharon Root and

FLYING FISH? — Looking very much like flying fish, two Camden varsity swimmers

Krista Kmetz, alternates.

OUTSTANDING EFFORTS
Outstanding individual efforts were given by the J.V. swim team for a 77-18 victory over Los Gatos two weeks ago, April 14.

Finishing in first place for the J.V. team were: Greg Whiteside, 50 fly, Frank Wenzel, 100 free, Russell McKinsey, 100 breast.

Taking two firsts for the J.V. team against Los Gatos were: Eddie Fernandez, 100 individual medley, 100 free, Don Dorman, 200 free, 200 free relay and Larry Stites in the 50 free, and 100 back.

Camden's frosh-soph swimmers also pulled out a win against the Wild Cats with a meet score of 50-5.

Taking first for the F/S team were: Paul Le Baron, 50 back, Troy Pipes, 100 individual medley, fly; Mike Sattler, 100 free, and Greg Sattler, 50 breast. The varsity team did not have much luck in the pool that day, losing to the Cats with a 32-59 meet score. Taking the only first in the varsity competition was David Mc Nabb in the 400 free.

SWIM SCORES

The Cougar swimmers did not seem to have a chance with the Longhorns from Leigh last Tuesday, April 18, with the Longhorns taking all three swimming competition divisions.

Out of all the swimming events the Cougars failed to take but seven firsts. Taking firsts for the varsity team were: Todd Hancock, 100 fly, and Kim Watson, 100 back.

Coming in ahead for the J.V. team were: Larry Stites, 50 free, Eric Neimi earning 74.35 points in diving and Roy Roswall, 100 back. The only first for the frosh-soph came when Paul Le Baron won the 50 yard back-stroke.

DISTEMPER CASE

Residents of the Monroe School-Hamann Park area were warned this week that a dog with a severe case of distemper had run loose in the area for several days. Since distemper virus is known to exist in the ground for as long as six months, a local veterinarian urged dog owners in the area whose pets had not been immunized within the past six months to revaccinate their animals.

Senate checks on schools for veterans

There is a man who will show you how to make big money operating heavy construction equipment, by mail. If you don't happen to have a bulldozer around your house to practice with that's all right because he'll loan you one, if you want to go to Tennessee.

If that kind of operating sounds fishy to you, you're in

good company because it also sounds fishy to the U.S. Senate Committee on Veterans Affairs. The committee is now gathering information from veterans studying under the G. I. Bill who have had trouble with private vocational and correspondence schools.

A committee spokesman said veterans are being induced

to sign up for training for which they have little aptitude or for which there is little need in the job market. The committee is also looking into complaints about advertising practices, the quality of course material, refund policies and other problems.

According to the spokesman, the hearings will conclude around the end of this month. He said the committee is anxious to hear from veterans who have had problems with vocational or correspondence schools.

For help in solving their problem the vets may also contact the Santa Clara County Department of Weights, Measures, and Consumer Affairs. According to Department Director Robert Horger, local complaints have been filed against three types of training schools.

Horger said, "We've had several complaints against motel management, computer training, and construction equipment training schools.

The complaints fell into two categories; people are being misled into thinking the schools will find them a job, and vets who have been unhappy with the course content have had trouble getting refunds."

Horger added that although there are already regulations governing trade schools there are still many loopholes.

Veterans with complaints or comments should write to General Counsel Room 414 Senate Office Building, Washington, D.C. 20510.

"OVERWHELMING" VIKES WIN TITLE

The Viking tracksters nailed down a surprisingly easy 97-37 victory over the De Anza Dons to secure the 1972 Camino Norte Conference championship with an unblemished 6-0 record on the Westmont High track.

West Valley had already secured no less than a tie for the crown but was worried about arch-rival De Anza spilling their sole position at the head of the heap.

John Murphy (Del Mar) and Mike Schaefer (Branham) led the win over DAC as each snatched two individual victories in the meet. Murphy won the long jump with a 21'10 1/2" effort and the triple jump at 43'7" while Schaefer took the mile at 4:34.3 and the two mile at 9:34.2.

Randy Carlson (Blackford) barely edged teammate Robbie Anderson (Campbell) in the 440, clocked at 50.6 as he placed first in what Campbell termed the "best event of the day." Anderson was second at 50.9.

HOT VIKES MEET CANADA

WVC baseballers pulled in two CNC victories last week, the second over first place Contra Costa.

Valley knocked off Solano

3-1 before nipping CCC in an 8-7 10 inning bout. The Vikes have won seven of their last six straight, and sit only a game and a half out of first place.

Tuesday Valley visited defending state champ Canada in Redwood City before hosting Santa Rosa Thursday at Central Park in Santa Clara. Saturday WVC goes to Marin.

Rich Kehrig (Blackford) was the top hitter against CCC with a three for five day while Herb Hodgins (Buchser) and Brad Helder (Westmont) were both two for four.

In the game winning third, Len Valenti (Del Mar) singled and Mike Hodgins (Buchser) singled him to third. Chuck Behnke (Saratoga) singled in a run and both baserunners scored on errors off the bats of Glen Asti (Prospect) and Kehrig. Behnke, M. Hodgins, and Mitch Vierra (Westmont) were both two for four.

CNC CHAMPS SEVENTH AT NORCAL

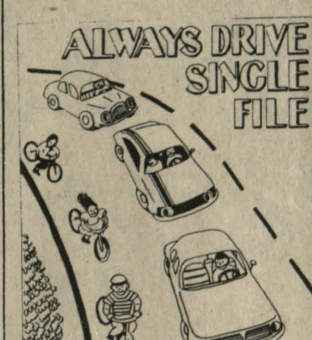

West Valley Vikings have won the CNC swimming title. But Valley wasn't through just because they won the conference.

Last weekend they nabbed a seventh at the Northern California meet. Tom Riley (Prospect), Tom Butts (Leigh), Dave Auchard (Leigh), Steve Hodos (Del Mar), and Pete Masley (Los Gatos) all brought home NorCal medals.

NETMEN END THIRD

Two straight losses to the College of Marin forced WVC's netmen to settle for a league third in the CNC tennis race. The Vikes lost 5-4 and 6-3 to the Tars last week.

Ken Hamilton (Del Mar) Steve Borkenhagen (Santa Clara) and Charles Sharples (a resident of Los Gatos) posted the only singles wins in the first loss, Sharples and Borkenhagen winning at doubles.

ON THEIR KNEES—Mayor Bill Podgorsek addresses Little Leaguers at opening day ceremonies last Saturday.

Children need foster parents

Foster mothers and fathers who can set "loving limits" are needed for a child with special problems.

The youngster is at Eastfield Children's Center, the Campbell-based United Fund Agency that serves the entire county.

In fact, within the next few weeks there will be several youngsters ready to move from the center into homes.

All the Eastfield children are bright, but they have been unable to cope with pressures: a number of them have been deserted by their own parents. After living at Eastfield, where professional treatment is available, they are learning to cope.

Foster parents are paid for the care of Eastfield children, and professional personnel from the agency are available to help with the youngsters.

Additional information about foster homes is available from Dorinda Ennis, social worker; or from F. Jerome Doyle, director of Eastfield Children's Center, 251 Llewellyn, Campbell, phone 379-3790.

College okays construction

Construction on West Valley College's physical education complex at the Saratoga campus should begin this summer though the governing board authorized James P. Hardy, superintendent, to receive bids only on the building complex, deferring site improvements on the complex.

The college will probably call for bids in May, and construction on the project, which will take approximately 20 months to complete, will begin this summer.

The board split the physical education into two projects—the building complex and the site improvements (which include tennis courts, bleachers, golf areas, baseball field, and running track). The second part of the project will be acted upon at a later date.

The complex will cost approximately \$3 million, according to Dr. Leroy Lowery, assistant superintendent for finance.

YWCA sponsors spring luncheon

The annual spring luncheon for San Jose YWCA-sponsored clubs, this year dubbed "Fiesta de la Primavera," is scheduled for Monday, May 1 in the First Presbyterian Church of Los Gatos, 16575 Shannon Road.

"The Minority Woman '72" will be the topic of guest speaker Dolores Garcia Gaviglio of De Anza College. YWCA Choraliers, a group from the Cambrian Center, will sing.

The San Jose YWCA sponsors women's groups in Cambrian, Milpitas, East San Jose, South San Jose, Lakewood Village, Sunnyvale and metropolitan San Jose.

The San Jose YWCA is a United Fund Agency open to all women and girls; some programs are open to men and boys as associates.

Young and old sharpen their communication

The class is diverse, composed of white, black and Chicano; men and women from 19 to 58 years of age; some with no high school education and others with college training.

But all the students enrolled in effective communications, taught by Niko Resnick, have one thing in common—they want to better themselves.

One of three courses being offered this spring by West Valley College's Center for Supervision and Management, it is held in the Opportunities Industrialization Center, San Jose.

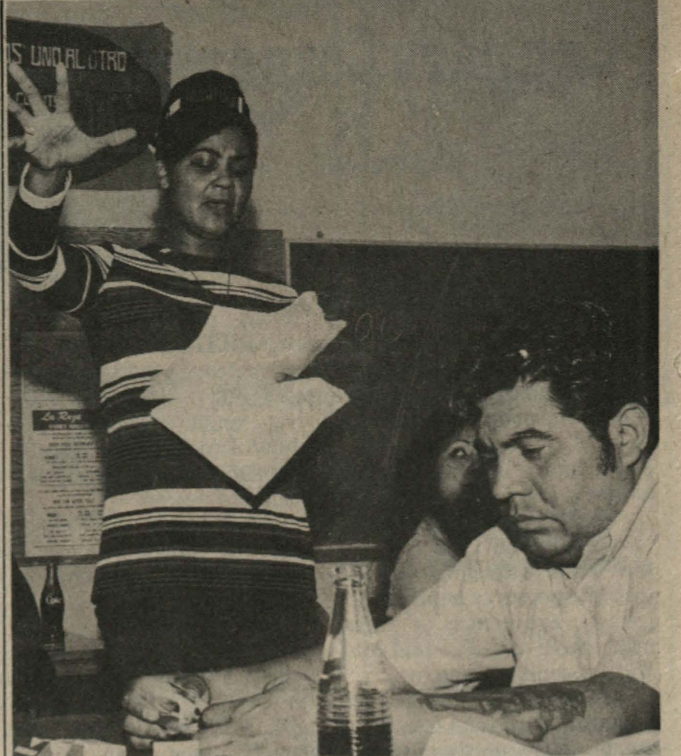

Niko Resnick, a self-admitted frustrated actress, draws the class into participation through dramatization of ideas, role playing and class expression.

Everything taught in the class relates to the students' own lives. Discussions are not only built on ideas thrown out by Ms. Resnick but also on concepts revealed in popular culture and music.

Among the nuggets of awareness stimulated by the assignments is this excerpt from a woman's essay on commitment, "I commit myself to remembering that each person is God's great possibility - even me." and -- "Me, the richest man in the world, with few worldly possessions..." from one man's essay on life.

Counseling, also a vital part of the class, is provided by one of West Valley's counselors who attends various class sessions to answer questions about West Valley and its programs.

Dave Harris, coordinator of the college's newly formed management center, believes the communications class is "one of the most significant happenings in our program today."

POINT OF EMPHASIS—Man must continue to grow throughout his life explains Niko Resnick, instructor of an effective communications class, which is part of a 10-course certificate program in management being offered by West Valley College's Center for Supervision and Management.

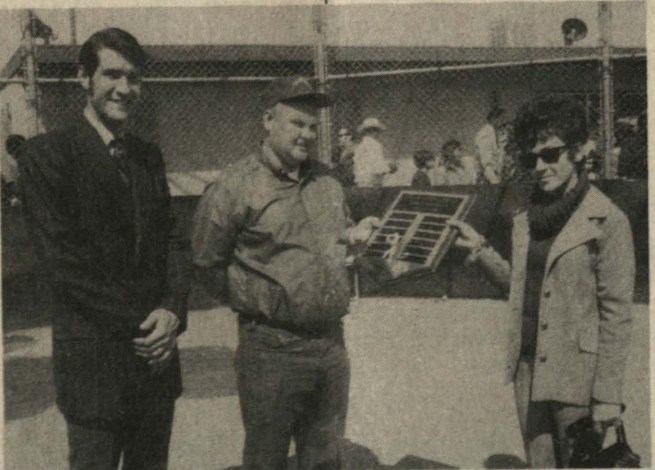

WITH THANKS—John Hanrahan, president of Campbell Little League, presents a plaque to Dick Hardy, representative of Ainsley Corporation who have sponsored a Little League team continuously for 17 years. Similarly honored was Campbell Lumber Co. The plaque was presented as part of Little League opening day ceremonies at their field at Rosemary School last Saturday.

"PEGGED"—Collin McKinney, a team manager in Campbell-Moreland Pony League, left, offers best wishes to Rich Barry, league president, at opening ceremonies at Rincon Park last Saturday. In Barry's hand is a wooden peg which McKinney reported was the start of the baseball facility. The league's recently completed clubhouse where the peg is to be placed in the trophy case, and the snack bar, was toured by visitors following the ceremonies.

CEREMONY PARTICIPANTS—City officials and local dignitaries present at Campbell Little League Opening ceremonies included, left to right, Rich Barry, president of Campbell-Moreland Pony League; Norm Paul, councilman; Al LaPlante, president

of Campbell Chamber of Commerce; Bill Podgorske, mayor; Dick LoBack; Mrs. Vic DiFebbo; Rev. Leonard Bose, pastor of St. Lucy's Church; Dick Hardy, Ainsley Corporation; Bob Stephens, city manager; Bob Turk, principal of Rosemary School; Don Burr, chief of police; Gene Borden, acting fire chief; and Rusty Hammer, councilman.

MEMORIAL PLAQUE—Dick LoBack, left, was spokesman for friends of the late Vic DiFebbo, little league coach who died recently, when a plaque to honor DiFebbo was presented at Little League opening ceremonies. Mrs. DiFebbo, right, gives the trophy to John Hanrahan, league president.
